

## KENO MILLIONS

---

Keno is an ancient Chinese game invented by Emperor Cheng Lin in 200 BC. According to the legend, the Great Wall of China was built with funds obtained from the game.

“Keno” games are among the most popular fixed-odds numeric games in the online betting community.

„Keno Millions “ is a game with fixed odds that offers JACKPOTS.

The game is played with the numbers from 1 to 80. The player chooses the size of their wager and selects 1 to 12 numbers to play with.
